

# A "THINKING HEART"

*The human cause is God's cause*

*The joys, the hopes, the griefs and the anxieties of the people of this age, especially those who are poor or in any way afflicted, these too are the joys and hopes, the grief and anxieties of the followers of Christ. Indeed, nothing genuinely human fails to raise an echo in their hearts.*

Gaudium et Spes, Vatican II

'The human person deserves to be preserved; human society deserves to be renewed'. In the 'space' made for us by God a relational world evolves. Our life is therefore responsive and responsible. **'I cannot be me without you and we cannot be us without them and together we have a future'**.

**Think about yourself in relationship.**

**What is the disposition you bring to others?**

**Is it one of openness and expectation or fear and anxiety?**

**'Dispositions are the means of acquiring reality' (Freidrich von Hugel)**
